

Hargrove M2-116

06-09-2020

Ms. Fike's GED Students,

This is a reminder that each of you are earning 1.5 hours of credit a day when you complete each weekly packet. That is a total of 7.5 hours per week that you can earn. However, if you do not complete the packet and turn it back in, you will not receive any credit for the week. Partial credit will not be given.

I understand that it may be difficult for some to complete the assignments without direct instruction in the classroom. Please just do your best and let me know if you are struggling with a particular assignment. Please notate what you are having trouble with on the assignment and turn it back in. If I can recognize that you are trying your best on the assignment, you will earn the weekly hours.

Please note that all previously assigned packets (Weeks 1-12) must be turned in by Thursday, June 11th in order to earn the hours for those weeks.

Thank you,

Ms. Fike

Basic GED In-Cell Study Packets for the Covid-19 Modified LockdownName: Hargrove, I. Registration Number: 54584-039

		Score	Date
